

## *Room Options*

Established in 1985, Chloe's of Kent Town is an internationally acclaimed restaurant that has won numerous awards since opening. Located on 0.5 acres of landscaped gardens, just five minutes from the city, makes Chloe's Restaurant perfect for any occasion. An extensive cellar of rare and vintage wines provides the perfect accompaniment to a fusion of French and Australian cuisine.

There are a number of private rooms at *Chloe's* catering from 8 to 200 guests.

### DINING ROOM

The main dining area is divided by a back to back antique fire place thus effectively providing two separate semi-private areas; the front area having a capacity of 38 persons and the back area a capacity of 16 persons.

### LOUIS TANNERT ROOM

Restored to it's original Victorian condition the Louis Tannert Room overlooks Chloe's immaculate gardens. Featuring a magnificent fireplace, rare paintings and statues this room is perfect for an intimate gathering or a private meeting of up to 12 persons.

### GEORGIAN ROOM

The Georgian Room accommodates 24 persons comfortably at an antique boardroom table. The room also features two ornate fireplaces, antique mirrors and French doors opening onto Chloe's immaculate gardens.

### THE FUNCTION ROOM

The 2001 addition of the function center to Chloe's restaurant boasts the finest in function facilities. With high attention to detail the room carries the same intimate feel as the restaurant with ornate ceilings, detailed painting and specialist lighting. The foyer or Marble Room features a marble floor with large windows, providing the perfect area for guests to gather prior to a function. Double wooden doors lead to the main function room, which can cater up to 200 guests seated at round tables and 300 cocktail style.

## THE MARBLE ROOM

Although part of the function centre, the Marble Room is becoming increasingly popular for private functions as it has all the attributes of a private room and can accommodate 48 persons. The latter is decorated with high ornate ceilings and happy musical cherubs; with a cream and chocolate marble floor adding warmth to the room. The room has its own private entrance and also leads in to the Garden Area, providing facilities for additional services and guests' comfort.
